Collaboration and business opportunities with over 2,500 exhibitors in worldwide  
Sourcing board range of products from lighting accessories & components, LED Technology to luminaries

## guangzhou international lighting exhibition

You are cordially invited!

We extend our utmost welcome for you to join our “**POWER MATCH – GLOBAL LIGHTING MARKET INTELLIGENCE**” program, a networking event held during the Guangzhou International Lighting Exhibition 2026 (GILE), where you can interact and engage with suppliers who are of interest to you, providing an opportunity for casual business discussions and networking.

### **Program Objective:**

To bridge the gap between global lighting buyers and premium lighting manufacturers through curated, high-value matchmaking, enabling buyers to source innovative, cost-effective, and reliable lighting solutions efficiently.

### **Target Audience:**

**Buyers:** Global distributors, wholesalers, architects, interior designers, and project managers seeking commercial, residential, industrial, or smart lighting solutions.

**Suppliers:** Vetted, high-quality lighting manufacturers offering cutting-edge technology, OEM/ODM services, and sustainable lighting products.

We look forward to welcoming you in Guangzhou.

GILE Team

## Show Theme: Light-enhanced Living

The concept of **“Light-Enhanced Living”** is a visionary framework promoted by GILE, exploring the intersection of lighting, technology, and human well-being. Central to this framework are five distinct pillars: **Biological, Emotional, Digital, Ecological and Immersive**, which together represent a holistic approach to using innovative lighting solutions to improve well-being, foster human connections, and support sustainability.

## Hhighlights GILE 2026

### Asia's Largest Sourcing Hub — Direct-from-source pricing and massive variety

- 2,000+ exhibitors in the heart of China’s manufacturing epicentre

### Next-Gen Tech & AI — Keep your product lines ahead of the competition

- Live demos of AI lighting, Matter IoT integration, and Human-Centric Lighting

### End-to-End Supply Chain — Consolidate your sourcing trips into one efficient visit

- Everything from raw LED chips to finished architectural luminaires:
  - #1 Lighting Solutions: From sustainability to inclusivity and intelligence
  - #2 Lighting Fixtures: Comfort, integration, and statement design
  - #3 Lighting and AI Technology: Powering progress

### Direct OEM/ODM Access — Cut out middlemen, secure flexible MOQs, and customize products to your exact specs

- Face-to-face meetings with factory engineers and owners

*"Join the PowerMatch Program at GILE to bypass the middleman, negotiate directly with factory CEOs, secure exclusive regional rights, and future-proof your supply chain against global volatility."*

# China Lighting Capital Hall – Hall 8.1

## The Core Competence of the China Lighting Capital: A Fully Integrated Ecosystem

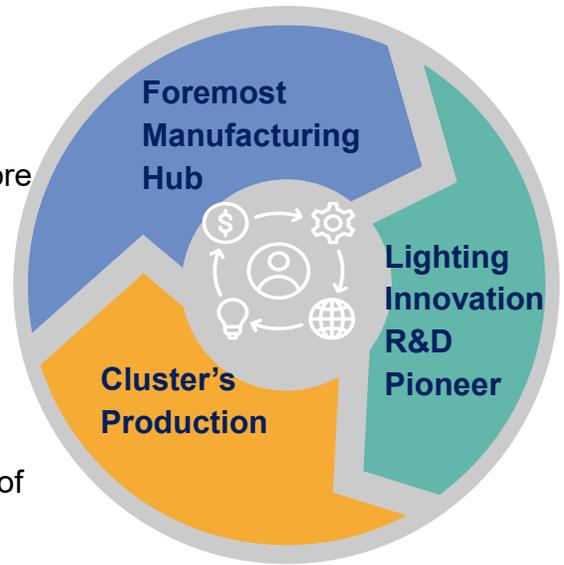

Recognized globally as the epicentre of the lighting industry, the China Lighting Capital (anchored in Guzhen) dominates the market through its hyper-efficient, fully integrated industrial ecosystem. Its core competencies include:

**End-to-End Supply Chain:** From upstream LED chips to downstream finished fixtures, every component is sourced and assembled within a tight geographic radius.

**Rapid Agility & Prototyping:** The close proximity of suppliers and testing labs allows for unmatched speed from design concept to mass production.

**Cost-Effective Scale:** Massive economies of scale, a specialized labour pool, and shared logistics drive highly competitive global pricing.

**Driven by Innovation:** Rapidly evolving from traditional manufacturing (OEM) to leading R&D in smart, IoT-connected, and sustainable lighting technologies.

## Hosted Buyer Visit Program

## Remarks

## Terms & Condition

1. This program is exclusively for overseas visitors (countries and regions outside mainland China, Hong Kong and Macau) and offered on first-come-first-served basis.
2. Maximum 2 applicants from the same organisation will be accepted. Validity of additional application(s) received will be subject to Organiser's final decision.
3. The Organiser reserves the right to access the suitability of participants based on their company, job nature, decision making power and annual budget for import goods in GILE.
4. The participants are requested to be traders, wholesalers, retailers, importers, exporters or lighting manufacturers/ designer or engineers engaging in lighting sourcing business. Exhibitors (including branch offices, subsidiaries and joint ventures, etc) or non-buyer basis companies (e.g. media, students, research centres, institutions, etc.) are not eligible for the above incentive program.
5. Organiser will only accept one application per buyer in GILE 2026. In the event of more than one application being received, the first application will be processed.
6. Confirmed applicant will be offered all or some of the benefits mentioned above subject to Organiser's final decision.
7. Power Match program will not be offered in conjunction with other travel incentive. Visitors can **ONLY** apply for one incentive program.
8. Email acknowledgement will be sent upon submission. Confirmed eligible visitors will be notified by a confirmation email in early May followed by visiting and redemption details by mid of May. Non-eligible applicants will not receive any notifications.
9. Incentives are offered for onsite redemption only. Eligible applicants must provide all documents including passport, your business name card and the meet up suppliers' name card for the redemption requested by the Organiser upon redemption..
10. If applicants failed to abide by rules and regulations stated here in any case, the Organiser reserves the right to terminate the incentive entitlement at its discretion.
11. The Organiser shall alter/change any programs details/contents or gift options without prior notice.
12. The Organiser reserves the right to accept or refuse any application without disclosing to the visitor any reasons thereof, and the right of final decision in case of any disputes.
